CELEBRATING **30** LEGENDARY YEARS

## PEREGRINE LODGE

As we say goodbye to the 2017 fishing season at Peregrine Lodge, we are reminded of the exceptional year that we shared with our guests. Whether it was landing that 50 pounder or capturing a Kodak moment shared with your family while surrounded with untamed wildlife. Perhaps it was catching a vivid pink sunset while enjoying a sing-a-long in a cozy adirondack chair in front of a roaring fire. Or maybe your greatest memory was the liveliness of the dock weigh in at the end of each day.

The season flew by quickly as we welcomed our guests. It was a remarkable pleasure to greet all of you as each helicopter arrived. We share in your excitement of hitting the fishing grounds and your expectation to be pampered for a few days. Our land staff did an amazing job looking after all your special requests. Although this year was slower fishing than we expected, due to a continual south wind only pattern, our guides hooked into plenty of salmon for the guests to keep happy.

Peregrine Lodge enjoyed another sell out season and we apologize to anyone we sadly had to turn away, but for those of you who were able to make the journey to Peregrine Lodge, we thank you for choosing us as your destination fishing resort in 2017. You will have arrived as a guest but hopefully you felt the warmth of the lodge and our staff and departed as our friends.

## Largest Spring Salmon of 2017:

Guided by Neil Holmes, the largest chinook of the 2017 season was caught by Randy Melendi. Congratulations on your 51 lb spring, Randy!

# The Pursuit of Success

Added to our fleet this summer was our 26 foot Denali Pursuit. This vessel comes equipped with state of the art electronics and seating for up to three guests. As captain of the Pursuit for more than half of the 2017 season, Brian Whaley will continue to be the designated guide to this boat during the entire 2018 fishing season.

Brian's personal opinion of the Pursuit: "The Pursuit is one of the fastest boats in the fleet. It is the best riding 26 foot boat I have ever been in, which makes getting to the fishing grounds very comfortable. The Pursuit fishes really well in all weather conditions because the wide beam allows the boat to stay incredibly stable. There is ample room to walk around the back of the boat to grab any of the rods. The bathroom facility is spacious and easy to access. The Pursuit is set up to fish four rods in most water conditions."

Don't miss out! Be sure to book the Pursuit with Brian in advance of your arrival or choose from one of many upgrade options. Call today to secure the boat of your choice 1-800-663-0992

# Highlights of the 2017 Fishing Season

We would like to congratulate Randy Melendi for successfully releasing a behemoth 51 pound “King” Chinook. The excitement at the lodge was euphoric as Randy’s name was entered on the leader board. Randy took home the well sought after etched salmon trophy that we gift to the guest who catches the largest chinook of the trip.

Halibut fishing was enjoyed by all this year. This tasty white fish has become even more popular for our guests to take home. We hope you like the new packaging program that we purchased this past season. Perfecting our fish processing was a priority for Peregrine Lodge. We know that enjoying your fish at the table is just as important as the moment you caught it.

Guests also took advantage of the world class fresh water fishing opportunities on the pristine estuaries surrounding the lodge. Our professional fly fishing guides shared their knowledge with anglers eager to learn the fine art of casting for our ocean run trout.

The weigh in celebrations are a continued hit at Peregrine Lodge. The guests enjoyed top shelf beverages, appetizers and the roar of excitement as guests weighed in their daily catch.

Peregrine Lodge enjoyed celebrating birthdays, anniversaries, retirements and company gatherings with all of you and we are grateful for the opportunity to share in your special moments. Evenings were a special time at the lodge as our guests enjoyed scotch tasting events, ping pong tournaments, volleyball matches, sing-a-longs and s’mores by the fire. Special exploration excursions were planned for curious children who chose to view the wildlife in lieu of fishing. There was truly something for everyone and we hope you all agree that the staff gave their best efforts to ensure your expectations were met with smiles and kindness.

Planning for the 2018 fishing season is well under way as we celebrate 30 legendary years in the Haida Gwaii, we hope you are planning on joining us for this exciting event along with our world class fishing.

I look forward to celebrating three decades of unforgettable fishing and adventure at Peregrine Lodge with all of you!

Tight lines and silver smiles,  
Lexi Koop
