Fun for the Whole Family!

There is no shortage of activities for kids at Peregrine Lodge. Our professional guides will provide the basic training and knowledge required for any successful young angler. A day on the water with your child is not only an incredible bonding experience, but also a fantastic opportunity to immerse yourselves in the beauty of Haida Gwaii. We truly mean it when we say “the fishing is only the beginning...”

After an exciting day of tight lines and screaming reels, the fun continues at the main lodge where you and your family can enjoy a round of pitch and putt golf, bocce or horse shoes before dinner.

After a hearty meal, the awards ceremony commences. This is a chance to celebrate the day’s successes and special prizes are given to members of our junior fisher club. At Peregrine Lodge, we understand the importance of sharing these moments with family and making sure the children feel welcome and included in the excitement.

If your outdoor adventure is not yet complete, lace up your runners and take the kids for a beautiful forest walk or comb the beach and enjoy the amazing wildlife and scenery of British Columbia.

As the night winds down, you can take the family to the sports lounge to play a friendly game of ping pong or try out the championship billiards table. There is fun for everyone in the games room complete with scrabble, monopoly, chess and checkers.

The outdoor fire pit is the perfect opportunity to unwind while s’mores are roasted and hot chocolate is served with giant marshmallows. If you are musically inclined grab one of the guitars and play your favourite campfire songs while the kids sing along.

For added privacy, upgrade to one of our cabins with a view of the harbour. Cabin 6 is the perfect vacation home for families with small children. Equipped with a king bed, two rooms with bunk beds, and a family room, it is sure to be the perfect choice. Cabin 4 has four bedrooms containing two twin beds, one queen, and one king. Each cabin provides a private dry room and door to dock cart services to ensure your family arrives on time each morning.

Peregrine Lodge provides endless fun and activities to be shared with the whole family. Our onsite photographer will capture those special memories that will last a lifetime. Come and join the excitement this summer as we celebrate 30 legendary years of family fishing fun.
