

Naden Harbour - Haida Gwaii

# PEREGRINE LODGE

Peregrine Lodge is home to the best salmon and halibut fishing in the Pacific Northwest. Located off of British Columbia's west coast, Peregrine Lodge is situated in the heart of Haida Gwaii's pristine and fertile fishing grounds. From the diverse waters and majestic surroundings to the impeccable cuisine, the legendary fishing is only the beginning.

## OUR UNPARALLELED FISHING ADVENTURES

### SALTWATER FISHING

Peregrine lodge offers the best saltwater fishing in the Pacific Northwest. Some of the largest salmon on record were caught right on our doorstep. The rugged shores and coastal entry to Naden Harbor offer the ultimate holding grounds for large runs of halibut and migrating salmon. The fishing grounds are abundant with salmon weighing over 30 pounds, and the northern waters are also famous for halibut that can grow to more than 400 pounds!

### FRESHWATER FISHING

What makes the Peregrine experience truly unique is that we offer our guests the opportunity to go freshwater fishing in the many rivers, lakes, and streams of Haida Gwaii. As part of your fishing package, you are provided with freshwater fishing equipment and gear. Our professional guides will be there with you to ensure you catch some of the amazing fish that populate the local estuaries.
